## **WTHIMA EMAIL!**

Contact us at [wthima@wthima.org](mailto:wthima@wthima.org). If you don't receive emails from [wthima@wthima.org](mailto:wthima@wthima.org), then we don't have your contact information. The [wthima@wthima.org](mailto:wthima@wthima.org) email is the official method of communication distribution!

## **WTHIMA DISCUSSION BOARD!**

The WTHIMA Discussion Board is back and better than ever! The WTHIMA Discussion Board, also available from the WTHIMA website, has been refreshed and is ready for postings again! All members previously approved have been purged. Everyone will need to register, again; however, registration is easy! Just go to the Discussion Board link on the WTHIMA Website or go to <http://wthima.org/forum2/index.php> and then click the link labeled "Register".

Enter the required information, and then admin will approve your membership to the forum. To help keep hackers out of the membership of the forum, it will be helpful to send a separate email to [wthima@wthima.org](mailto:wthima@wthima.org) to let us know who you are and what username you selected. We get a lot of "phishing" requests, so unless we can tell you are legit, then it's hard for us to approve your membership request.

Once you are in, feel free to post any and all questions and discussions that you wish to discuss with members of the WTHIMA. There is a general "how-to" in the General Discussion Category.

We have lots of experts and advice! We've got it, let's use it!

## **WTHIMA BUSINESS MEETING MINUTES ARE POSTED ON THE DISCUSSION BOARD!**

The minutes from WTHIMA Business Meetings are now posted on the WTHIMA Discussion Board. This part of the Discussion Board is for approved members of the forum only, so go through the above steps to become a member.

Please remember that the WTHIMA Discussion Board is posted on the internet, so we get a tremendous amount of "phishing" requests for membership. If we can't identify who you are, we will not approve your request for membership. It is very helpful to send a separate email after registering for the WTHIMA Discussion Board to [wthima@wthima.org](mailto:wthima@wthima.org) to let us know that you are an actual person with actual ties to WTHIMA!
